# BIKE MOUNT FOR LSC005
## ACCLSC005-1
## QUICK START GUIDE

## Includes:

Bike Mount for
LSC005 HD Mini-Camcorder*

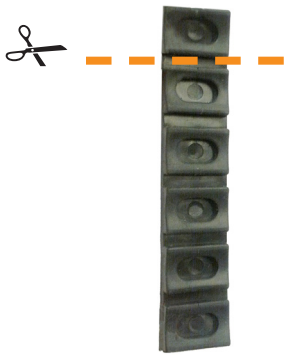
## Getting Started:

**1** Slide the mini-camcorder into the bike mount with the Power/Record button facing up.

**2** Wrap the bike mount around the handlebars and push the latch down to lock it in place.
**NOTE:** For larger handlebars, consider cutting off a rubber section to ensure a more secure fit. Keep the removed rubber section for future use. For added security, consider taping the latch closed in order to avoid accidental opening.

Push down on latch to lock

Latch is locked



Rubber ring

*Camcorder not included.
