

LOREX SECURE

HD Wi-Fi Security Camera

The Lorex HD Wi-Fi Security Camera is the world's most dependable homemonitoring/security camera for keeping an eye on the things that matter most via live streaming video. With efficient and dependable recording and review options, homeowners can stay connected to what's going on at home with instant alerts from anywhere in the world.

Super HD Video Quality

Superior picture quality with double the detail of 1080P

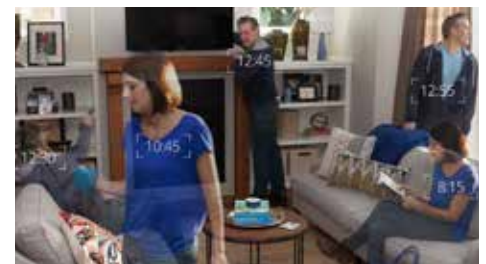

- See more detail with clear video imagery
- Night vision up to 40 feet (12 m)
- Color Night Vision™ provides color video in low light conditions, letting you identify objects and people more accurately than in black & white
- HDR (High Dynamic Range) improves clarity in high-contrast lighting

Instant Alerts & Remote Viewing

Monitor your home while you're away using the Lorex Secure App

- Watch live streaming video and recordings using mobile IOS and Android devices
- Advanced Detection technology alerts when a person is spotted
- Receive instant people / motion / sound alerts and push notifications
- Reduce unwanted motion triggers in areas you're not worried about with SmartZone™

See the Day in a Minute with RapidRecap™

Spend less time reviewing scenes using cloud-recorded video

- Easily sort through and review recorded events and see the time stamp
- Watch multiple recorded events condensed into a single video clip
- Back up videos using the included microSD card or cloud recording options
- Easily share downloaded videos with others
