

PLUG AND PLAY SECURITY

WEATHER RESISTANT COLOR MINI CAMERA WITH NIGHT VISION

One of the world's smallest weather resistant miniature cameras, the SG6153 also offers IR (low light) illumination, two camera brackets, true plug-and-play installation simplicity and excellent image quality.

- Weather resistant camera housing ideal for outdoor or indoor applications
- 6 high intensity IR LEDs provide illumination in no/low light conditions
- Color video in standard lighting, automatically changes to B&W video in low light
- Built-in microphone provides audio from the camera to monitor/television
- Easily Connects to any TV or VCR with RCA A/V inputs
- Mounts easily to walls or ceilings
- Includes bonus clip on stand & 100ft. Extension cable

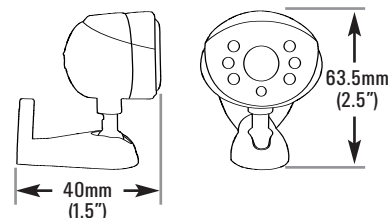

INCLUDES:
Bonus Clip On Stand
& 100ft Extension cable
