Disclaimers

1. 720p MPX cameras are compatible with MPX HD DVR recorders only. For a list of compatible recorders please visit lorextechnology.com/support.
2. Stated IR illumination range is based on ideal conditions in typical outdoor night time ambient lighting and in total darkness. Actual range and image clarity depends on installation location, viewing area, and light reflection / absorption level of object. In low light, the camera will switch to black and white.
3. Not intended for submersion in water. Installation in a sheltered location recommended.
