Software and complete instruction manual available on: www.lorextechnology.com/support

PACKAGE CONTENTS:
- MPX DVR
- USB Mouse
- Remote Control
- Power Adapter
- HDMI Cable
- Ethernet Cable
- Quick Start Guides

Connecting your system

1. Monitor/TV
2. Mouse
3. Router
4. Cameras
5. Power

For best performance it is recommended to use a 1080P monitor/TV and set the DVR’s output resolution to 1920x1080. See the instruction manual for details.

Extension Cable
The extension cable must be a single stretch of cable between the DVR and camera. You cannot connect multiple extension cables to each other.

8 channel configuration shown. 4/16 channel will have the respective number of video inputs. For camera compatibility information, visit www.lorextechnology.com/support

*Not included/sold separately

This system features automatic firmware upgrades for enhanced functionality. It is required to upgrade your system to the latest firmware version.

If a firmware upgrade is available:
1. After startup, a notification will appear asking you to upgrade the firmware. Click OK to upgrade.
2. The system will download and install the firmware upgrade. Wait for the firmware update to complete. The system may restart during the firmware upgrade process. DO NOT power off or disconnect the power cable during firmware installation.

For best performance it is recommended to use a 1080P monitor/TV and set the DVR’s output resolution to 1920x1080. See the instruction manual for details.
Using the mouse

1. **Left-click:**
   - Click to open the Navigation Bar. Right-click to close the Navigation Bar.
   - **During split-screen display mode:** Double-click an individual channel to view it in full-screen. Double-click again to return to the split-screen display mode.
   - **While navigating menus:** Click to open a menu option.

2. **Right-click:**
   - **During live view:** Right-click anywhere on the screen to open the Quick Menu.
   - **Within system menus:** Right-click to exit menus.

Using the Quick Menu

**Right-click to open the Quick Menu.**

- **View 1**
- **View 4**
- **View 3**
- **View 9**
